

FEEL THE HARMONY IN YOUR SPACE

About Us

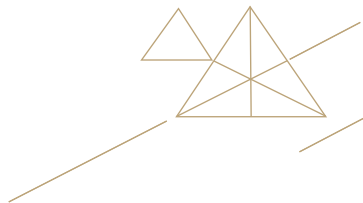

There are loads of design companies, so you might have a logical question in mind – Why should I choose to work with **Design Factory Décor**? We realize your concerns, especially because we are a relatively new establishment that began in 2016, but once you see our work and understand what we have to offer, we hope your hesitation will disappear. Our company started in Abu Dhabi – the inception happened after we studied the local market and its requirements in great detail.

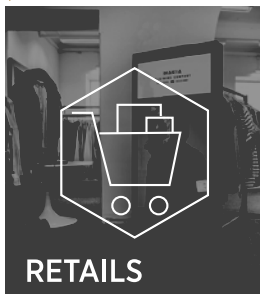

What sets us apart from the rest is that designing is not just a way for us to earn a living, but more of a passion that we enjoy channeling into our job.

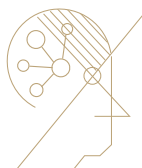

Design Factory Décor is proud to have skilled and knowledgeable professionals on their team, with years of experience under their belt. We truly enjoy the challenge each project poses and the thrill of devising a solution.

Be it residential projects or commercial ones – we can craft designs for anything. We prioritize our clients equally – your satisfaction is what matters the most. We understand no two projects are same so the requirements and specifications are bound to differ. But all you have to do is tell us what you want and we will get it done.

We specialize in customized solutions based on your needs, and rest assured you will be satisfied once the project is finished and won't have any complaints in regards to our work. We concentrate on our designs and blending of ideas, opinions and tastes in an elegant and luxurious way to reach new and creative vision.

LANDSCAPING

Who doesn't love a finely designed landscape? Not only does it look pleasing to the eyes, but it also enhances curb appeal, which comes in handy if you plan to sell off your property sometime. However, upgrading your landscaping isn't just meant to increase property value, but also create chic outdoor spaces for your relaxation and entertainment.

Whether you want to focus on your front yard, backyard or entire piece of land, there are many interesting options to consider. For instance, you can make room for a space in the backyard to throw parties for friends and family. It can have an outdoor kitchen, fire feature, pool, etc. or a beautiful garden with a small fountain. In the front yard you could boost the aesthetics with a stunning walkway or you could tear up your lawn in favor of an eco-friendly garden. Whatever you want, just let us know – give us a call soon!

RESTAURANTS

Interior design plays an integral role in terms of footfalls at restaurants, bars, or bistros. Along with good food and excellent service, you need to ensure the ambience is friendly and welcoming, which can be achieved via proper planning and implementation of design. Being creative with the dining environment is a good solution for doing that, as people want to eat in a pleasant atmosphere that transmits them that recreational feeling. Charming and tasteful interiors help to form a distinct identity that differentiates you from rum-of-the-mill establishments, thus printing a positive image in your customers' minds. When it comes to interior design of restaurants, our work will exceed your expectations – that is a guarantee we provide right from the start. Moreover, we ensure the budget remains in control and complete our work within the deadline sans any delays. We realize that every client has different needs, tailored specifications and wants, so our solutions are just that – customized as per your preferences. Looking forward to hear from you soon!

OFFICES

An office isn't just a place to work – it reflects your company image as well. Nowadays office and workstations are a far cry from the days of old when the work place used to be a drab and dreary place. A clean and well-designed office space is a must so you can create a positive impression in your client's mind, while motivating your employees to be more productive at the same time. As an office design firm in Dubai, it is our objective to make powerful statements via modern office designs that connect with and represent the brand image of your business. Regardless of the available space, we create a seamless, innovative, and attractive office that perfectly embodies what you stand for.

Successful corporate and commercial environments are dependant on how much they can leverage physical space to their benefit. Do you wish to create environments that inspire collaboration and team work? Or do you want commercial office buildings geared toward attracting exceptional tenants? Set up a meeting and tell us about it!

EVENTS & EXHIBITIONS

Would you attend an event with shabby stalls and unimpressive décor? Of course not! So when you are organizing an exhibition, trade fair, conferences or any other event both indoors and outdoors, the design should be top-notch so it attracts visitors and they are inclined to spend more time at the venue. That is where we step in to lend a hand.

We study the theme of the event and come with a personalized solution accordingly. Whether it is sprucing up the place at a jewelry exhibition, choosing a specific style and decorating stalls at a career fair, selecting the lighting to highlight specific items, or making a property look appealing at open houses, rest assured, we can do it! We cover off all areas of face-to-face marketing in depth and incorporate a powerful logistics background to deliver quality, on time, and adhering to the budget. Talk to us now!
